SIAMS Report

Dear families

I am delighted to share the fantastic outcome of our recent SIAMS inspection, which took place on 3 July 2025. This inspection evaluated our effectiveness as a Church school, and I am proud to report that the findings celebrate the remarkable progress we have made as a community. A copy of the full report is attached to this communication.

The inspection report highlights several notable strengths that reflect our collective commitment to excellence. Our Christian vision has been recognised as transformational, creating a culture of hope, belonging, and aspiration that permeates every aspect of school life. The inspector commended our staff team for acting with compassion and commitment, whilst our partnership with Infinity Academies Trust was praised for providing vision-aligned support that enables confident leadership.

Our collective worship was particularly celebrated for being inclusive, reflective, and biblically grounded, offering regular opportunities for spiritual growth. The report also recognised our purposeful community partnerships, rooted in Christian service, which strengthen our educational provision and affirm our role within the wider community.

Whilst the inspection identified areas for continued development, including embedding and extending our work on spirituality, these represent exciting opportunities for further growth rather than concerns.

The inspection findings demonstrate that our school is truly **living up to its foundation as a Church school, enabling pupils and adults to flourish together**. This achievement reflects the dedication of our entire school community – staff, pupils, families, and governors – working together to embody our vision of developing hope and resilience whilst building a community of aspiration.

Thank you for your continued support on this journey.

Kind regards
