

OCTOBER 2026

It has been a busy term since we returned in September and we wanted to share with you some of what has been happening in classes throughout school.

## CLASS 1

This term the children in Nursery and Reception have had a fantastic start to the school year. We have spent the first few weeks getting to know one another, learning our classroom routines and agreeing on our class rules. We are so proud of how wonderfully all of the children have settled into school and how confidently they are now joining in with our daily routines and lessons. The children have particularly been enjoying our drawing club lessons. Each week, we have explored a different book while learning and using lots of new and exciting vocabulary. The children have shown such wonderful imaginations when creating their drawings and loved coming up with their own "secret codes" to add to their work. It has been fantastic to see their creativity and confidence develop as they share their own ideas. The children have also painted wonderful self-portraits, they have been so creative. It has been a wonderful start to the year!

## CLASS 2

Class 2 have had a busy and exciting start to the Autumn term! Amongst lots of other things, we have been working together in PE, taking part in team-building games and activities to develop our communication, cooperation and teamwork skills. We were also very lucky to enjoy a virtual author visit from Rachel Bright and Jim Field. The children loved listening to a story and then joining in with a fantastic draw-along, where they had the opportunity to illustrate one of the characters. It has been a great start to the year, and we are looking forward to all the exciting learning still to come next half term!

## CLASS 3

Class 3 had a fantastic time taking part in **Hello Yellow Day**, showing their support for mental health awareness by wearing a wonderful splash of yellow in their outfits. The children enjoyed a range of yellow-themed activities and spent time learning about the importance of looking after their mental health and wellbeing. Through class discussions, creative tasks and teamwork activities, pupils explored ways to recognise their feelings, build resilience and support one another. It was inspiring to see everyone getting involved with such enthusiasm and kindness. We are very proud of Class 3 for embracing the day and spreading such positive messages throughout our school community.

## CLASS 4

Class 4 have made a positive start to the new academic year, settling into routines and embracing the challenges of upper Key Stage 2.

Some of our Year 6 pupils have already demonstrated fantastic resilience and courage during their residential visit to PGL Dearne Valley, trying new activities and stepping outside their comfort zones. Back in the classroom, the whole class are pushing themselves every day to be the best that they can be. We are encouraging independence, positivity and perseverance as we learn together. We look forward to celebrating their achievements throughout an exciting and busy year ahead together!

## REMINDERS:

03.11.26 PASTORAL PARENT POP INS  
11.11.26 REMEMBRANCE SERVICE  
11.11.26 FLU VACCINATIONS
